POSITIVE PROFIT ALERT

This announcement is made by Leadway Technology Investment Group Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform shareholders of the Company and potential investors that based on the information currently available to the Board, and a preliminary assessment of the latest unaudited consolidated management accounts of the Group for the six months ended 30 June 2024 (the “**Reporting Period**”), the Group is expected to record a net profit of approximately HK\$2.1 million, as compared to the net loss of HK\$4.4 million for the six months ended 30 June 2023. The Board considers that such turnaround from net loss to net profit position is mainly attributable to increase in revenue due to increase in sales orders, reduction in the Group’s headcount resulting in lower staff costs, and decrease in other operating expenses due to effective costs saving measures during the Reporting Period.

The information contained in this announcement is only based on the Company’s preliminary assessment of the unaudited consolidated management accounts of the Group for the Reporting Period, which have not been reviewed or audited by the Company’s auditors and are subject to adjustment. The Company is in the process of finalising the consolidated interim results of the Group for the Reporting Period which is expected to be published around mid-August 2024.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
